Tyla Richardson said,

“I coloured in a shield, I made a crown. It was exciting, because we were on a train! I dressed up as a knight.”

Ackworth School SLIME! Yesterday, year 5 went to Ackworth School on a trip. Kaya Burnham said, “We used PVA glue, food colouring, and borax. It took about 5 or 6 minutes.” Riley Evans said, “First we did science, and the teachers were nice. The school was really BIG! We had a juice box and a biscuit, the had 10 minutes play time.
