Half Term Hazards

Half term is coming so you need to be safe when your playing out especially near the train lines.

Make sure you come back to school in **ONE PIECE**

Most importantly, have fun!

Shed In A State!

Since we came back, the shed has been getting messier, and messier.

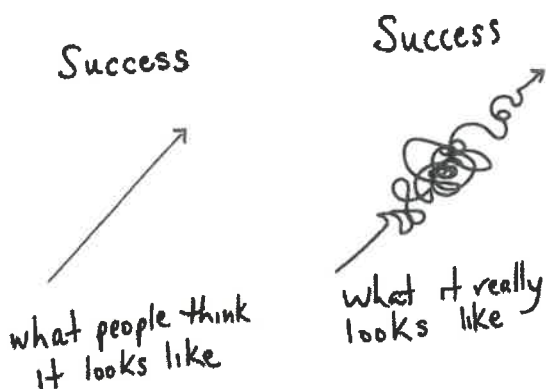

You need to look after the shed, and all the things in it, or they'll get lost.

Olympic Visit!

Yesterday, world class athlete, 1500 metre runner Laura Weightman visited our school. She took us for a run around the field, then did some warm-ups and relay races with us. Steven James said, "We did relays, and we did what she does to warm up, and we ran around the pitch. It was quite good." Taylor Browne told us, "We were running. It was fun!" "I'd like to do it again!" Billy Hunter exclaimed. At the end of the day, Laura had an assembly, letting everyone ask questions. She also gave some people her autograph! Pictured below is Lara O'Brien, with her 'What Are Dreams Made Of?' poster, and Laura's autograph.

Laura gave us all an important message; to follow your dreams, no matter how tough it gets.

NEXT WEEK: HALF TERM!
